presents
**The Historic and Ethnic Tour of
Cleveland - Part 2**
Wednesday, September 8, 2021

Part history and part mystery, we'll explore Planet Cleveland and its fascinating neighborhoods & unique areas to discover what makes them special.

Trip price is **\$83**. Per person. Please make checks out to: "**LU 38 Retiree's Club**"

Personally escorted by JOHN from JKL TOURS, our Cleveland tour **Part II** will pick up where Part I left off, as We travel to see places of interest in the Greater Cleveland area. We'll start by learning how Cleveland's second ring of development happened and we'll start by seeing the site of the very first filming of a **Bank Robbery** in the World! Next, we'll learn about a private inner-city high school where all the students **HAVE** to work one day a week while going to school the other four and how it has changed lives for them and their families.

We'll see Cleveland's very own inner-city vineyard – **Chateau HOUGH!** And that is right around the corner from where we'll see the wonderfully restored **League Park**, the original home of the 1891 Cleveland Spiders and where Babe Ruth hit his 500th home run. We'll have a chance to experience Cleveland's answer to New York's Greenwich Village at **Coventry-on-the-Heights** and then take in the specialties of one of the oldest Kosher grocery stores & bakeries in Cleveland.

We'll see the suburban legacy and reason behind the building of the Terminal Tower and enjoy a delightful **lunch** at an authentic *Hungarian Restaurant*.

We will tour a spectacular **Shrine Church** that is in the heart of Slavic Village, and travel by a 9-hole **golf course** built on reclaimed Steel Mill land overlooking Cleveland's Steel Valley. We'll see the turnaround from vacant and decaying steel mill warehouses to retail development at **Steelyard Commons**, which brought shopping to an unserved area.

We'll complete our day sightseeing Cleveland's hip neighborhood, trendy **Tremont**, which was one of Cleveland's first neighborhoods, created as an elitist Connecticut Yankee area and home to Cleveland University of 1853, the **first college** in Cleveland

Just like Part I, we will combine history, surprises (and lunch) to give you a view of the culture and heritage that makes Cleveland a unique mosaic of people and places.
