This is an ALL-NEW Cleveland trip that is part history and part mystery, seeing little-known sites like the Cleveland Fire Boat that put out the famous river fire of 1969! We'll enjoy a surprising 10<sup>th</sup>-floor lookout from a downtown govt. building and travel Euclid Avenue to see 2 of the remaining Mansions from the golden age of Millionaire's Row. We'll have a delicious lunch at a classic 1950's Diner inside a Harley-Davidson Motorcycle Emporium, where the walls are decorated with Euclid Beach and Motorcycle memorabilia. We'll learn the surprising history of East Cleveland and see the French Norman village of Forest Hills that was the partially completed dream of John D. Rockefeller – both Senior and Junior. As always, we'll include surprises you will enjoy, and this trip promises to showcase hidden areas of Cleveland you never knew existed! Come join us on a fun day of travel.
