RESIDENTIAL WIRING AGREEMENT

Agreement by and between the Greater Cleveland Chapter of the National Electrical Contractors Association (NECA)] and Local Union No. 38, IBEW.

It shall apply to all firms who sign a Letter of Assent to be bound by the terms of this Agreement.

As used hereinafter in this Agreement, the term Cleveland Chapter shall mean the Greater Cleveland Chapter of NECA and the term "Union" shall mean Local Union No. 38, IBEW.

The term "Employer" shall mean an individual firm who has been recognized by an assent to this Agreement.

The term "employee" or "employees" as used herein shall mean the workman or workmen covered by the terms and conditions of this Agreement who perform work exclusively under this Agreement.

BASIC PRINCIPALS

The Employer and the Union have a common and sympathetic interest in the electrical construction industry. Therefore, a working system and harmonious relations are necessary to improve relationships between the Employer, the Union and the Public. Progress in industry demands a mutuality of confidence between the Employer and the Union. All will benefit by continuous peace and by adjusting any differences by rational common sense methods. Now, therefore, in consideration of mutual promises and agreements herein contained, the parties hereto agree as follows:

SCOPE OF WORK

It is mutually agreed that residential work performed under the terms of this agreement shall apply to all units built primarily for family residence, including mobile home parks. Residence not to exceed four units under one roof.

Effective Dates-Changes-Grievances-Disputes

EFFECTIVE DATE:

Section 1.01. This Agreement shall take effect November 3, 2024 and shall remain in effect until October 31, 2027, unless otherwise specifically provided for herein. It shall continue in effect from year to year thereafter, from November through November of each year, unless changed or terminated in the way later provided herein.

Section 1.02. (a) Either party or an Employer withdrawing representation from the Chapter or not represented by the Chapter, desiring to change or terminate this Agreement must provide written notification at least 90 days prior to the expiration date of the Agreement or any anniversary date occurring thereafter.

(b) Whenever notice is given for changes, the nature of the changes desired must be specified in the notice, or no later than the first negotiating meeting unless mutually agreed otherwise.

(c) The existing provisions of the Agreement, including this Article, shall remain in full force and effect until a conclusion is reached in the matter of proposed changes.

(d) Unresolved issues or disputes arising out of the failure to negotiate a renewal or modification of this agreement that remain on the 20th of the month preceding the next regular meeting of the Council on Industrial Relations for the Electrical Contracting Industry (CIR) may be submitted jointly or unilaterally to the Council for adjudication. Such unresolved issues or disputes shall be submitted no later than the next regular meeting of the Council following the expiration date of this agreement or any subsequent anniversary date. The Council's decisions shall be final and binding.

(e) When a case has been submitted to the Council, it shall be the responsibility of the negotiating committee to continue to meet weekly in an effort to reach a settlement on the local level prior to the meeting of the Council.

(f) Notice of a desire to terminate this Agreement shall be handled in the same manner as a proposed change.

Section 1.03. This Agreement shall be subject to change or supplement at any time by mutual consent of the parties hereto. Any such change or supplement agreed upon shall be reduced to writing, signed by the parties hereto, and submitted to the International Office of the I.B.E.W. for approval, the same as this Agreement.

Section 1.04. There shall be no stoppage of work either by strike or lockout because of any proposed changes in this Agreement or dispute over matters relating to this Agreement. All such matters must be handled as stated herein.

GRIEVANCES/DISPUTES:

The Local Union shall select the Union representatives and the Chapter shall select the management representatives.

Section 1.06. All grievances or questions in dispute shall be adjusted by the duly authorized representative of each of the parties to this Agreement. In the event that these two are unable to adjust any matter within 48 hours, they shall refer the same to the Labor-Management Committee.

Section 1.07. All matters coming before the Labor-Management Committee shall be decided by a majority vote. Four members of the Committee, two from each of the parties hereto, shall be a quorum for the transaction of business, but each party shall have the right to cast the full vote of its membership and it shall be counted as though all were present and voting.

Section 1.08. Should the Labor-Management Committee fail to agree or to adjust any matter, such shall then be referred to the Council on Industrial Relations for the Electrical Contracting Industry for adjudication. The Council's decisions shall be final and binding.

Section 1.09. When any matter in dispute has been referred to conciliation or arbitration for adjustment, the provisions and conditions prevailing prior to the time such matters arose shall not be changed or abrogated until agreement has been reached or a ruling has been made.

Section 2.01. (a) The Chapter recognizes the Union as the exclusive representative of all Employees performing work under this Agreement within the jurisdiction of the Union for the purposes of collective bargaining in respect to rates, wages, hours of employment and other conditions of employment, on the type of work as defined herein.

(b) The Employer understands that the Local Union’s jurisdiction, both trade and territorial, is not a subject for negotiations but, rather is determined solely within the I.B.E.W. by the International President and, therefore, agrees to be recognized and to be bound by such determinations.

Section 2.02. The Union understands the Employer is responsible to perform the work required by the owner. The Employer shall, therefore, have no restrictions except those specifically provided for in the collective bargaining Agreement, in planning, directing, and controlling the operation of all his work, in deciding the number and kind of Employees to properly perform the work, in hiring and laying off Employees, in transferring Employees from job to job, within the Local Union’s geographical jurisdiction, in determining the need and number as well as the person who will act as Foreman, in requiring all Employees to observe the Employer’s and/or Owner’s rules and regulations not inconsistent with this Agreement, in requiring all Employees to observe all safety regulations, and in discharging Employees for proper cause.

Section 2.03. No member while he remains a member and subject to employment by Employers operating under this Agreement, shall himself become a contractor for the performance of any electrical work.

Section 2.04. All employers subject to this agreement are required to post a “Wage, Fringe Benefit, and Related Accounts Payment Guaranty Bond,” according to the following schedule:

One to five employees	\$10,000.00

21 to 40 employees	50,000.00
41 to 65 employees	75,000.00
66 to 90 employees	100,000.00
91 to 125 employees	150,000.00

(Every 25 additional employees, the Bond increases by \$50,000.00.)

The Bond shall be obtained from each employer by the Union before any employees are put to work for that employer. If the employer is unable to obtain such a bond they must post a cash sum equivalent to the amount described above or they must agree the Fringe Benefits, as described in Article VI, will be paid on a weekly basis no later than 3 working days after the end of the payroll period. The original Bond shall be kept with the records of the Union and a copy of each such bond shall be promptly delivered by the Union to the offices of The Greater Cleveland Chapter, National Electrical Contractors Association. Notice of cancellation of any such bond shall be given promptly to the Union, and then by the Union to The Greater Cleveland Chapter, National Electrical Contractors Association. Section 2.06. For all employees covered by this Agreement, the Employer shall carry Workers' Compensation Insurance, with a company authorized to do business in this state; Social Security; and such other protective insurance as may be required by the laws of the state in which the work is performed. He shall also make voluntary contributions to the State Unemployment Compensation Commission regardless of the number of employees.

Section 2.07. The Union reserves the right to discipline its members for violation of its laws, rules, and agreements.

Section 2.08. (a) In order to protect and preserve, for the employees covered by this Agreement, all work heretofore performed by them, and in order to prevent any device or subterfuge to avoid the protection and preservation of such work, it is hereby agreed as follows: If and when the Employer shall perform any on-site construction work of the type covered by this Agreement, under its own name or under the name of another, as a corporation, company, partnership, or any other business entity, including a joint-venture, wherein the Employer, through its officers, directors, partners or stockholders, exercises either directly or indirectly, management, control or

majority ownership, the terms and conditions of this Agreement shall be applicable to all such work. All charges of violations of this Section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement covering the procedure for the handling of grievances and the final and binding resolution of disputes.

(b) As a remedy for violations of this Section, the Labor-Management Committee, the Council on Industrial Relations for the Electrical Contracting Industry and/or an independent arbitrator, as the case may be, are empowered, in their discretion and at the request of the Union, to require an Employer to (1) pay to affected employees covered by this Agreement, including registered applicants for employment, the equivalent of wages lost by such employees as a result of the violations; and (2) pay into the affected joint trust funds established under this Agreement any delinquent contributions to such funds which have resulted from the violations. Provision for this remedy herein does not make such remedy the exclusive remedy available to the Union for violation of this Section nor does it make the same or other remedies unavailable to the Union for violations of other Sections or other Articles of this Agreement.

(c) If, as a result of violations of this Section, it is necessary for the Union and/or the trustees of the joint trust funds to institute court action to enforce an award rendered in accordance with subsection (b) above, or to defend an action which seeks to vacate such award, the Employer shall pay any accountants' and attorneys' fees incurred by the Union and/or fund trustees, plus cost of the litigation, which have resulted from the bringing of such court action.

All charges of violations of this section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement for the handling of grievances with the exception that any decision of a local labor-management committee that may be contrary to the intent of the parties to the National Agreement on Employee Portability, upon recommendation of either or both the appropriate I.B.E.W. International Vice President or N.E.C.A. Regional Executive Director, is subject to review, modification, or rescission by the Council on Industrial Relations.

Section 2.10. The Local Union is a part of the International Brotherhood of Electrical Workers and any violation or annulment by an individual Employer of the approved Agreement of this or any other Local Union of the I.B.E.W., other than violations of Paragraph 2 of this Section, will be sufficient cause for the cancellation of this Agreement by the Local Union, after a finding has been made by the International President of the Union that such a violation or annulment has occurred.

The subletting, assigning or transfer by an individual Employer of any work in connection with electrical work to any person, firm or corporation not recognizing the I.B.E.W. or one of its Local Unions as the collective bargaining representative of his employees on any electrical work in the jurisdiction of this or any other Local Union to be performed at the site of the construction, alteration, painting or repair of a building, structure or other work, will be deemed a material breach of this Agreement.

All charges or violations of Paragraph 2 of this Section shall be considered as a dispute and shall be processed in accordance with the provisions of this Agreement covering the procedure for the handling of grievances and the final and binding resolution of disputes.

Section 2.11. The Employers recognize the Union's right to appoint a Steward on any job or in any shop from the existing work force of Residential Wiremen in a shop or job. Job Stewards shall be qualified working Residential Wiremen having no supervisory authority.

Shop and job Stewards shall be considered second to the foreman for employment and the Employers agree that they will advise the job steward concerning layoffs or dismissals of Employees. Priority between Shop and Job Steward for layoff may be determined by the Business Manager unless one is a foreman.

A steward shall be allowed sufficient time to see that the terms and conditions of this Agreement are observed on his job. No Employer shall discriminate against any Steward because of his faithful performance of duties as long as the time taken for such duties is reasonable.

Section 2.12. FAVORED NATION CLAUSE - The Union agrees that if, during the life of this Agreement, it grants to any other Employer in the Electrical Contracting Industry on work covered by this Agreement, any better terms or conditions than those set forth in this Agreement, such better terms or conditions shall be made available to the employer under this Agreement and the Union shall immediately notify the Employer of any such concession.

Section 2.13. This Agreement does not deny the right of the Union or its representatives to render assistance to other Labor Organizations by removal of its members from jobs when necessary and when the Union, or its proper representatives, decides to do so; but no removal shall take place until notice is first given to the Employer involved. When such removal takes place, the Union or its representatives shall direct the workmen on such job to carefully put away all tools, material, equipment or any other property of the Employer, in a safe manner. ARTICLE V

Fringe Benefits

Section 5.01. It is agreed that in accord with the Employees Benefit Agreement of the National Electrical Benefit Fund (“N.E.B.F.”), as entered into between the National Electrical Contractors Association and the International Brotherhood of Electrical Workers on September 3, 1946, as amended, and now delineated as the Restated Employees Benefit Agreement and Trust, that unless authorized otherwise by the N.E.B.F. the individual employer will forward monthly to the N.E.B.F.’s designated local collection agent an amount equal to 3% of the gross monthly labor payroll paid to, or accrued by, the employees in this bargaining unit, and a completed payroll report prescribed by the N.E.B.F. The payment shall be made by check or draft and shall constitute a debt due and owing to the N.E.B.F. on the last day of each calendar month, which may be recovered by suit initiated by the N.E.B.F. or its assignee. The payment and the payroll report shall be mailed to reach the office of the appropriate local collection agent not later than fifteen (15) calendar days following the end of each calendar month.

The individual Employer hereby accepts, and agrees to be bound by, the Restated Employees Benefit Agreement and Trust.

An individual Employer who fails to remit as provided above shall be additionally subject to having this Agreement terminated upon seventy-two (72) hours notice in writing being served by the Union, provided the individual employer fails to show satisfactory proof that the required payments have been paid to the appropriate local collection agent.

The failure of an individual Employer to comply with the applicable provisions of the Restated Employees Benefit Agreement and Trust shall also constitute a breach of this Labor Agreement.

Section 5.02. The Employer agrees to contribute monthly to the Local Union Health and Welfare Fund the amount set forth in Appendix “A” for Health and Welfare Contributions for each hour paid to each of his employees (including all apprentices) working under the terms of the bargaining Agreement. Same to be accompanied by a report form specified by the Trustees. This amount of hourly contribution is subject to change by mutual agreement of both parties during the life of this Agreement. Any Employer contributing to this fund agrees to abide by the Trust Fund Document(s).

Section 5.03 (a). The Employer agrees to contribute monthly to the Local Union Pension Fund the amount set forth in Appendix "A" for Local Pension Contributions for each hour paid to each of his employees working under the terms of the bargaining agreement.

This amount of hourly contribution is subject to change by mutual agreement of both parties during the life of this Agreement. Any Employer contributing to this fund agrees to abide by the Trust Fund Document(s).

(b). A voluntary 401(k) Plan shall be added on October 27, 1997 for all employees working under this agreement, excluding 1st year Trainees, and shall be known as I.B.E.W. Local 38, 401(k) Retirement Plan. Any employer contributing to this fund agrees to abide by the Trust Fund Document(s). See Appendix "A" for deferred rates.

Section 5.04 (a). All fringe payments of monies covered by this Agreement shall be reported and paid on a consolidated and simplified form once a month. For this purpose, each month shall be considered ended on the last day of the last pay period in the calendar month, even if the date of actual payment of the wages occurs in the next month. The report and payment shall be sent to reach the addressee as shown on the consolidated form not later than the fifteenth day of the month following the month in which the labor was performed.

Section 5.04 (b). The following provisions shall control the enforcement of payment of contributions and deductions to the several fringe benefit and related accounts under this Agreement:

1. Each Employer agrees that it is subject to the provisions of the agreements and declarations of trust and/or other governing instruments of the I.B.E.W. Local No. 38 Pension Fund, Local 38 401(k) Retirement Plan, Health and Welfare Fund (Electrical Workers Benefit Fund), Vacation/Holiday Plan, Joint Apprenticeship and Training Trust Fund, National Employees Benefit Fund, National Electrical Industry Fund, C.E.C.A.F., the Union working assessment account and any other fringe benefit, industry and related funds or accounts established by the parties hereto (collectively, the "Funds").

2. The payments made to the Funds in accordance with the terms of this Agreement shall be sent with the appropriate reporting form to the designated depository not later than the 15th day of the month following the end of the calendar month for which payments are due. In months in which the Employer did not have any employees working, it shall submit a reporting form marked "NO

MEN WORKING.” If the Employer has completed all work in the jurisdiction covered by this Agreement and will not have men working in the jurisdiction thereafter, it shall note on the reporting form for that month “WORK COMPLETE–FINAL REPORT.”

3. The failure of an Employer to pay the contributions, payroll deductions or other monies required hereunder when due shall be a violation of this Agreement as well as a violation of said Employer’s obligations under the agreements and declarations of trust. Nonpayment by an Employer of any contributions, payroll deductions or other monies when due shall not relieve any other Employer of its obligation to make payment of contributions when due.

4. (a). Any Employer who is delinquent in making its payments as herein required or who fails to send its monthly report on time shall be assessed, as liquidated damages, a delinquency assessment of ten percent (10%) of the total amount due plus one and one-half percent (1.5%) of the total amount due per calendar month thereafter.

(b). If an Employer is delinquent as described in 6.04 (b) (2) of this agreement he may be required to pay fringes on a weekly basis no later than 3 working days after the end of the payroll period.

5. Whenever an Employer is delinquent, the Union shall, within 10 days after becoming aware or otherwise being notified of the delinquency, notify the surety company which supplied the bond for that Employer of the fact of said delinquency and shall at the same time send a copy of such notice to the offices of the Greater Cleveland Chapter, National Electrical Contractors Association.

6. Whenever an Employer is delinquent, the Union shall, upon 72 hours written notice to the delinquent Employer, withdraw employees from the employment of the Employer, until such amounts as are due and owing are paid, without such withdrawal being considered a breach of any of the provisions of this agreement, provided the Employer fails to show adequate proof that the delinquent amounts have been paid to the Funds.

7. Each Employer agrees to permit an audit or examination of such books, records, papers or reports of the Employer as may be necessary, in the discretion of the auditor, to determine whether the Employer is making full and prompt payment of all sums required to be paid by it to the Funds. The audit or examination shall be performed by an auditor or agent designated by the representatives of the Funds. If as a result of said audit or examination a substantial deficiency in payments to the Funds is discovered, the Funds may assess their costs in performing the audit or

examination to the Employer, and said cost shall be collectible as any other amount due from the Employer to the funds.

8. The respective Trustees of the Funds, and their successors in office, shall be deemed to be joint and several beneficiaries of this Agreement for the purpose of enforcing the provisions of this Section 6.04(b) and shall, in addition to and with or without the Union, have standing to sue on this Agreement to enforce the terms hereof and of the respective agreements and declarations of trust and/or other governing instruments of the Funds and the payment by any employer of all sums and contributions due to the Funds. A delinquent Employer shall also be liable for, and obligated to pay, the delinquency assessments provided for herein, reasonable interest, all court costs, attorney's fees and other expenses incurred in the collection of contributions due from said delinquent employer. The Trustees shall further have all such relief (including temporary and permanent injunctive relief) and remedies against a delinquent Employer to which they may be entitled at law or in equity. The Trustees may compel and enforce the payment of contributions in any manner which they deem proper; and the Trustees may make such additional rules and regulations to facilitate and enforce the collection and payment thereof as they may deem appropriate.

Section 5.05. Each individual Employer shall furnish to the Union and Shop Steward a monthly time report listing the names, hours worked, wage rate, Fringe Benefit payments, amount of wages paid and expenses of each workman employed under the terms of this Agreement by such Employer for that period. In the event no workmen are employed during the period, the report to the Union shall so state.

VACATION/HOLIDAY PLAN

LOCAL UNION NO. 38 I.B.E.W.

Section 6.06. 1. Amount of vacation allowance: Beginning on October 27, 1997, the Employer shall deduct from the pay of each employee, subject to this agreement, as a vacation/holiday allowance, an amount agreed to by the Labor-Management Committee, for each hour worked. See Appendix "A" for amount of vacation/holiday allowance.

2. Method of calculating vacation deductions and transmitting to bank: This vacation deduction shall be withheld from the employee's weekly pay and shall be sent on a monthly transmittal to a bank to be designated by the Administration Committee, as provided for in item (5) below:

(a) The Employer shall make all legal payroll withholding, for income tax, social security, etc. from the total of wage including vacation deductions and shall then withhold the full amount of the vacation deduction for transmittal on a monthly basis to the bank.

(b) The monthly transmittal shall cover every employee subject to this agreement.

(c) The vacation deduction must be deducted from the wages of all employees, who are directed by the individual employer, who are subject to this agreement, to work on jobs outside of the jurisdiction of Local Union No. 38.

(d) On a monthly transmittal form the following information concerning each employee shall be set forth in separate columns: 1. name of employee; 2. the number of hours worked; 3. amount deposited as provided for above, and such other information as the Administration Committee may from time to time request.

(e) The monthly transmittal form must be filed with the remittance due not later than fifteen (15) days following payroll period covered.

3. Administration expenses in operation of plan: The Employer shall not be responsible for any expense incurred in the operation of the plan other than those incurred within the individual Employer's office.

(a) It is the intention that individual vacation should as far as possible be granted to each employee in accordance with recognized vacation practices. It is recognized that this may not always be practical, on account of such circumstances, as necessity of particular jobs, sickness of individual men or other cases to make vacation arrangements to fit the need of each particular job or shop.

(b) Each employee may take two weeks' vacation during a calendar year. Additional vacation time shall be allowed as per section 6.06 (3) (a) of this agreement.

(c) Any employee who is unable to take his vacation at the time agreed upon as provided for above, either because of accident or sickness or because he is required by his employer to work during that period, shall be granted his vacation by the employer as soon thereafter as is mutually agreed. When the employee is required by the Employer to work during the vacation period as previously decided upon, he shall be paid at regular rates during this period.

4. Procedure and withdrawal of vacation allowance from bank: The following procedure shall be followed in the withdrawal of vacation allowance from the bank:

(a) The Vacation/Holiday account will be treated like any other savings accounts subject to the rules and regulations of this Bank, and based on signature cards on file; and, proper presentation of a withdrawal slip by the owner of the account to constitute a withdrawal. The Depository will disburse funds only on the basis of the authorized signatures on file, and will not open Vacation/Holiday account requiring more than one signature to obtain withdrawals.

(b) In the event of the death of an employee, the balance on deposit shall be paid to such person or persons entitled thereto upon submission of necessary proof of the Administration Committee.

5. Administrative Responsibility: There shall be established a Vacation/Holiday Plan Administration Committee (Labor-Management Committee), for the purpose of interpretation and administration of the plan, and for acting as a Board of Appeals.

ARTICLE VI

Further, from time to time it shall be utilized for promotion of the electrical contracting industry and the enhancement of labor relations in the Cleveland area. ARTICLE X

SUBSTANCE ABUSE

Section 10.01. The dangers and costs that alcohol and other chemical abuses can create in the electrical contracting industry in terms of safety and productivity are significant. The parties to this Agreement resolve to combat chemical abuse in any form and agree that, to be effective, programs to eliminate substance abuse and impairment should contain a strong rehabilitation component. The local parties recognize that the implementation of a drug and alcohol policy and program must be subject to all applicable federal, state, and local laws and regulations. Such policies and programs must also be administered in accordance with accepted scientific principles, and must incorporate procedural safeguards to ensure fairness in application and protection of legitimate interests of privacy and confidentiality. To provide a drug-free workforce for the Electrical Construction Industry, each IBEW local union and NECA chapter shall implement an area-wide Substance Abuse Testing Policy. The policy shall include minimum standards as required by the IBEW and NECA. Should any of the required minimum standards fail to comply with federal, state, and/or local laws and regulations, they shall be modified by the local union and chapter to meet the requirements of those laws and regulations.

CODE OF EXCELLENCE

Section 12.01. The parties to this Agreement recognize that to meet the needs of our customers, both employer and employee must meet the highest levels of performance, professionalism, and productivity.
